Graphic Organizer and Paragraph Instructions**

Question or Prompt Are the skeletal remains of that of Stacy Lim?
Claim (Answer to the Question)

Sex Determination

Transition Word	Evidence (Data- Qualitative & Quantitative)	Source

Race Determination

Transition Word	Evidence (Data- Qualitative & Quantitative)	Source

Height Determination

Transition Word	Evidence (Data- Qualitative & Quantitative)	Source

Age Determination

Transition Word	Evidence (Data- Qualitative & Quantitative)	Source

Transition Word	Summary of Claim-Evidence-Reasoning Final Overall Determination of Traits with Percent (%) Confidence and Final Conclusion (Do not restate the evidence- Summarize)
------------------------	--

Did you have tests that contradicted your overall determination for that trait? If so, which trait? Give an explanation as to why this could happen.
